1. Lenders Mortgage Insurance (LMI) is a non-refundable, non-transferrable premium that is added to your loan. LMI protects the lender against any loss that may be incurred if you are unable to repay your loan. The lender requires LMI when you borrow greater than 80% of the property's value.
2. The offset facility is not a cash management account (CMA). Any fund held in offset can only be transferred to linked SMSF CMA.
3. The interest rate is calculated by reference to the variable interest rate plus or minus any applicable margin. Target Market Determination for the product is available [here](#).
4. Fixed rate loans may be subject to significant break costs. Please refer to the loan contract for terms and conditions regarding break costs.
5. The Risk Fee is a one-off, non-refundable fee paid at settlement used to offset the risk associated with loans of a higher LVR. It may be capitalised into the loan amount up to the maximum LVR.
6. Early Repayment Exit Fee is payable if the loan is discharged within 3 years from the settlement date.
7. Other fees and charges are payable.
8. Includes one valuation up to \$440. Where valuation exceeds the cost, the difference is payable by the client at settlement.
9. Optional Early Repayment Waiver Fee is a one-off, non-refundable fee paid at settlement which waives the requirement to pay the Early Repayment Exit Fee if the loan is discharged within 3 years from the settlement date.
10. The annual package fee for Year 1 is payable at settlement and on the annual settlement anniversary thereafter.
