1. Target Market

The retail clients for whom this product has been designed are individuals, or an Australian registered company, or a trustee of an Australian family or unit trust which who:

- require finance for the acquisition of a residential property for the purpose of it being the principal place of resident or for investment purposes or business purposes, or for consolidation of debt, equity release or other investment or business purpose (subject to lending criteria)
- want the option of making principal and interest or interest only (maximum 5 years) repayments over the term of the loan;
- want the flexibility of a variable rate;
- want the flexibility to make additional repayments without incurring early repayment costs;
- want access to redraw;
- can capitalise interest within the credit limit;
- may require a bridging loan with or without an end debt;
- want the ability to borrow up to 90% of the value of the property;
- can afford the loan; and
- can provide acceptable residential property as security for the loan

Whilst there may be fluctuations to variable interest rates, we have assessed this Product as being consistent with the likely objective, financial situation and needs of consumers in the target market as it allows them to make unlimited additional repayments to reduce their interest and pay down the loan as quickly as possible.

2. Product Description including Key Attributes

Product key attributes

The key attributes of this product that make it likely to be consistent with the target market described above, include:

Attribute	Appropriate for
Term loan	Retail clients that want to repay their loan over medium to long term period (up to a maximum of 30 years).
Loan Purpose	This product is suitable for retail clients who intend to acquire or construct the property as their principal place of residence or for investment purposes or business purposes. This product can also be used for debt consolidation, equity release or other investment or business purposes (subject to lending criteria).
Loan Amount	Retail clients who want to borrow a minimum amount of \$20,000 to a maximum amount of \$1,500,000.
Variable Interest Rate	A variable interest rate means the interest rate may increase or decrease over the term of the loan. This product may not be suitable for retail clients who require certainty around repayments by having a fixed interest rate.
Repayment Types	Retail clients may elect to make regular scheduled principal and interest repayments <u>or</u> interest only (IO) repayments converting to principal and interest (max IO period of 5 years) over the term of the loan. Retail clients can choose from weekly, fortnightly or monthly repayment frequencies for principal and interest repayments or monthly only for interest only.
Early repayments and redraw	Retail clients who want the flexibility to make additional repayments without incurring early repayment fees, and the ability to access those repayments through redraw facility (1 repayment amount is preserved and not accessible).
Access to other features	This product is not suitable for retail clients who may want access to other features (including offset)
Security over residential property	Retail clients that can use the residential property they have acquired with the loan as security for it.
Maximum LVR of 90% (inclusive of LMI)	Retail clients who want the ability to borrow up to 90% of the value of the property (depending on loan purpose and eligibility criteria). Mortgage insurance may apply depending on the LVR and property used as security.
Capitalised interest	Retail clients who are using the LOC as a bridging loan and want to capitalise the Interest within the loan limit on an IO repayment type.
Bridging Facility	Retail clients who are looking to purchase a new property while awaiting sale of their existing property and are seeking short term finance for up to 12 months with or without an end debt.
